

Azuga Fleet Mobile™

Rewards. Driver Scores. Distracted Driving Monitoring. Occupant Recognition. Time Card. Messaging and more!

Azuga Fleet Mobile is a super-app that lets businesses engage with their drivers, reward them for a job well done and increase safety. It combines a rewards management capability that lets managers deliver rewards from top brands like Amazon, Walmart, Burger King, IHOP and provides scores and leaderboards to drive competition among drivers. It also lets managers communicate with drivers using web-to-phone-app messaging, pairs drivers with vehicles and much more.

And it's not just a game. When drivers compete on safety, mileage gets better, risk decreases and ROI becomes effortless and everyone wins.

Key Features

- Retain drivers with the Azuga Driver Rewards feature
- Improve safety by monitoring and correcting distracted driving
- Identify who is driving the vehicle with Occupant Recognition
- Reduce risk with an insurance-grade advanced driver scoring and get drivers to compete with gamification
- Communicate with drivers using the messaging feature
- Record shifts and breaks for payroll purposes
- And with helpful utilities like 'Where did I Park'

Azuga Fleet Mobile is an additional \$2.99 to your existing Azuga GPS service. Together, you get all the benefits of GPS Tracking along with better employee engagement, and reduce risk by improving driver behaviour
